2024 Storage Rates

Erie PA Location

Vehicles may be stored on a month-to-month basis and paid for by the 1st of each month. Rates are charged on the length of the vehicle. The length is measured from bumper to bumper, hitch to bumper, or hitch to rear of boat or motor. If any questions, please call our office at 814-835-2410 or 724-368-4034.

Owners rent storage space at their own risk and are advised to continue their insurance and to remove any small articles from their vehicle/boat. Owners should prepare the vehicles or boats for storage BEFORE bringing them to the storage lot. This includes cleaning, draining the lines, removing batteries, winterizing, etc. Blocks need to be placed under the tongue to prevent wheels from rolling. Adequate absorbent material must be placed under motors that may leak. It is the owner's responsibility to make sure their unit is locked and secure with wheels/tongues blocked.
